Specifications: ||

Electric/ battery		
Motor/ controller		Permanent magnetic synchronous machine
Motor	Power/ Max Torque	30 kw (4oHP) / 100 N.m
Battery type/ Capacity		Lithium iron phosphate battery/ 16.8 kwhr(112VDC)
Charging power/ rate		3.3 (4-5 hr) - 40km/hr
NEDC range/ Max. speed		220 km/ 100 km per hr
Transmission type		Automatic
Regenerative sliding		●
Chassis		
Power steering system		EPS
Driving type		Rear Wheel Drive
Wheel		Aluminum Alloy wheel 145/60 R13
Suspension		Front: MacPherson independent suspension Rear: Multi-link non-independent suspension
Safety Configuration		
Air bag		(1, driver's seat)
Power cut protection in collision		●
Safety belt/ Safety belt warning		4, Alarm
Child seat connector		ISOFIX, 2, middle row on both sides
		●
ABS + EBD	Electronic breaking	●
ESP/ESC	Electronic Stability control	●
EBA/BAS/BA	Emergency Brake	●
ASR/TCS/TEC	ANti skid/ Traction control	●
ARB	Anti roll bar	●
EDR	Electronic data recorder	●
Auto-hold brake		●
Reverse camera		●
TPM	Tire pressure monitoring system	Font-Rear
Parking rader		●
Anti-theft		With remote control (3 doors), automatic locking, collision unlocking
Central locking		1 remote key, 1 mechanical key
Remote key		(LED, integrated in front combination headlights)
Internal Configuration		
Sun visor		Double visor, white, PVC, driver's seat with make-up mirror
Steering Wheel		Multifunctional steering wheel
Grill, Bumper, Door outer handle colour		same with car body
Odometer		7 inches LED instrument, gray base, highlight black shell
Climate control		Touch control air cooling / heating
Window Glass/ Regulator		Green glass (whole vehicle)/ Automatic
Outer mirror electronic adjust		Automatic
Light configuration		
Front lamp		Halogen, bifocal lens: Head lamps LED: Parking, Indicators, Day time lights, front grill
Rear combination lamp		Helogen: Parking, turn signals, Lower & upper brake light with reflector
Rear fog lamp, Reverse light / side lights		Fog light- left, Reversing light- right/ turn indicators
Tech & Media Configuration		
PEPS		PS
Cruise control		●
Electronic shift/ Mode		Economy-SPORT
Infotainment system		8.8 inches MPS
Speaker		2
USB connector		(2)
New Energy Vehicle Configuration		
On board AC charging		●
Charging Cable		●
Charging status display		●
Power management display		●
Charging port cover open reminder		●
Power system anti theft		●
High voltage safety monitor		●
pedestrian alarm at low speed		●
Battery system heating management		●
Smart charging 12V		●
